

Catalunya ★★★

"This place is a honeypot for the rich and famous... The Bikini is basically a glorified ham and cheese sandwich but Catalunya's combination of Iberian ham, cheese and generous slivers of truffle sandwiched inside two toasted, buttery pieces of bread is ingenious in its simplicity when combined with its rich flavour... If you're someone who likes to follow the buzz, you know you were planning on getting a seat at this place anyway." *G/F, Guardian House, 32 Oi Kwan Rd, Wan Chai, 2866 7900; catalunya.hk. \$850.*
