

CATALUNYA HONG KONG

Scheduled for a soft opening in early March, Catalunya Singapore is opening a sister restaurant in Morrison Hill. Catalunya Hong Kong will serve contemporary Spanish cuisine in a splendid, modish setting. Executive chef Alain Devahive Tolosa from Barcelona has extensive experience working in Michelin-starred restaurants in Spain and France, including El Bulli, La Regalad and La Broche. The menu will entice diners with signature dishes including roasted suckling pig, lobster rice, cod esqueixada, and crowd pleasers such as Spanish bombas and truffle bikini. Not to be missed is the cocktail menu, crafted by award-winning mixologist Dario Nocentini, which is served at the spacious lounge bar.
