## Tap Those Tapas

**Catalunya** is the latest in a spate of upscale tapas joints to invade Hong Kong in recent years. This resto is the Hong Kong branch of the successful Catalunya Singapore, taking up some 7,500 square feet of restaurant and bar space and offering Catalan-style dishes such as roasted suckling pig; lobster rice and esqueixada (salted cod salad). At the helm will be group executive chef Alain Devahive Tolosa, Barcelona-born and El Bulli-trained. **G/F, Guardian House, Morrison Hill, 32 Oi Kwan Rd., Wan Chai, 2866-7900.**
